Opinions Of Other Editors

#### Put It On The House

Multi-billion dollar aid to education has now been proposed in another of those grab-bag, "something for everybody" gestures of Federal magnaminity. The price tag is \$5,600,000,000 with

With strong evidence that the budget is already out of balance, this portends red-ink financing. But shucks, what's a billion and a quarter more in '61 when Uncle Sam already owes \$280,000,000,-000? Just stick it onto the national debt as well as the other \$4,358,000,000 when

This superb show of confidence will take the world finance market by surprise just at the time when gold reserves are dwindling and the American dollar is worth ninety cents in Canada.

But the ultimate jeopardy to the a large slice of which goes to education.

Si ould they hold back and await the proposed aid for teachers' salaries? Also, the local taxing districts which have heroically raised billions for land and new school buildings-should they relax now and wait to see how much their new Santa Claus can relieve them

To me, the silly part of the whole business of federal-aid-to-this-that-andeverything is the fact that the generous Uncle who resides in the District of Columbia has no money of his own. In

fact, he's flat broke. Worse, he owes

various states, set up a vast horde of tax collectors, ship the money to Washington and then re-distribute it back to the people he took it from. Trouble is, that by the time he provides the necessary housekeeping and bookkeping, he winds up with thousands of inspectors, supervisors, branch offices, field men, and paper shufflers.

By the time the "gifts" get back to the states, his overhead and brokerage fees have taken more than half of what was intended to go to the farmers, the aged, the welfarers, the reliefers, etc.

Now it is proposed that education higher as well as lower-join the rest of the recipients of his presumed largesse. Newspapers are fulminating against the likelihood of federal control of education as a result. It is a possibility, for the gentleman who controls the purse single issue of the past three strings generally likes to control the legislative sessions. policies.

Already there are signs: 1) The money can't go to the private schools established to avoid integration; 2) But matching money for scholarship awards can go to private religious colleges, support of which is forbidden by the Constitution; 3) Some of the money must ther both before and after the

is dictation and this is only the opening makers convene following this wedge. Later, what? The inevitable red tape and reports in quadruplicate can well choke up local administrative radar bug has become is somewheels, too.

not done so. "However, there is indisputable evidence that a considerable number of seasoned and wellequipped North Vietnamese troops are operating in Laos. In fact, they are the backbone of the Communist advances there in the past several weeks."

One congressional leader asked why Russia rather than Red China is supplying the Laotian offensive.

"Because the Soviet has the equipment and personnel and is using Laos as a testing ground,' replied Dulles. "It is not only testing equipment, but also very deliberately probing the nature and fiber of our new government. The Kremlin considers Laos our weakest point in the entire world, and Khrushchev and his military chiefs are seeing how far they can go. The extent to which they are prepared to go in doing that is nown only to them."

All or none - Secretary Rusk gave the bipartisan congressional leaders one flat commitment regarding U.S. involvement in

"We will never commit troops there alone." he said.

Discussions with SEATO allies indicate that at least three of them are ready to send forces into Laos to prevent its being overrun by the Communists Asked specifically about these countries, the State Department chief replied, "Thailand, the Philippines and Pakistan.

Rusk also assured the congressional leaders they will be consulted before any military steps are taken in Laos.

"Should the situation deteriorate to the point where the President feels it necessary to resort to force," Rusk said, "he will definitely consult with you before that is done. No decision will be made until he has talked it over with you."

It was also disclosed by Rusk that roving Ambassador Averell Harriman has been pressed into the effort to work out a peace-

"President Kennedy believed that if the U.S. takes a firm stand in this dangerous crisis,' said Rusk, "the Soviet will agree to negotiate a settlement that we can live with. The President realizes this involves a certain amount of risk. But the only alternative is surrender, and that

"THE CITY AT NIGHT", a muted pastel by Holly Potts, which placed second in a district art talent contest for high school seniors is here displayed by Mrs. Ora S. Fitsimmons, fine arts chairman of the Monroe County Federation of Woman's Clubs, which entered the painting. Another local senior, Allan Keough, won honorable mention in the contest.

(Staff Photo by MacLeod)

## was led by Elmer Becker, of

March 21 to April 20 (Aries) —
Not all favorable in all directions but after Noon influences grow better and day closes on a cheerful, helpful note, Plan wisely at start of day, don't be forceful and all should be well.

April 21 to May 21 (Taurus) —
Splendid Venus vibrations, Artistic, scientific matters, skilled work generally highly favored, You can add your great gifts from God to whatever work you are doing and you will receive fine results.

May 22 to June 21 (Gemin) —
Friendly aspects linger since yesterday's benefic Mercury position, However, be sensibly cautious in promises, signing statements, contracts, etc. Your particular work and interests can advance.

June 22 to July 23 (Cancer) —
Strong, good indications for achieve ment, perhaps special benefits and unusual advancement. Be ambitious, have faith and don't look backward with regrets. Your day to look forward and hope.

July 24 to August 23 (Leo)—Midly friendly influences today and balance of month up to the 31st when it will pay to be cautious. Continue with tasks already begun; don't fear new undertakings if you understand.

## Your Horoscope

By FRANCIS DRAKE

have faith and don't look backward with regrets. Your day to look forward and hope.

undertakings if you understand, them.

August 24 to September 23 (Virgo)

Really a benefic day but you must be alert so not to miss any fresh advantages, good hints or suggestions that could aid you in your interests and add to your status and general matters.

September 24 to October 25 (Libra)

Many benefic offerings this generous day. What you do with them is important. Don't lag behind or dally too long over decisions, moves that should occur immediately. Be up in front, have faith in you.

October 24 to November 22 (Scorpio)—Can be an indifferent period unless you give it the verve and hoost it needs. But do not be too forceful nor unvielding. Reasonable cooperation, willingness to do your share are needed.

November 23 to December 21 (Sagittarius) — A mild period through here and of the and of the

cooperation, willingness to do your share are needed.

November 23 to December 21 (Sagittarius) — A mild period through here and through the end of the month, and the 31st is splendld for spirltual accomplishment, getting together assets and opportunities through which you can gain later.

December 22 to January 20 (Capricorn)—Mostly up to you, your management and judgment of tasks and various obligations how you make out. There are new ways, new products and equipment for your use, to achieve.

January 21 to February 19 (Aquarius)—Self-restraint, renewed ambition can be aids now to get ahead in your chosen field or in duties concerning family, close business associates. Procrastination is harmful, retarding.

February 20 to March 20 (Pisces)—Things generally can be bright, resultful and productive of improvement for the future if you plan and work now with right intentions and with progressive people. Have renewed faith.

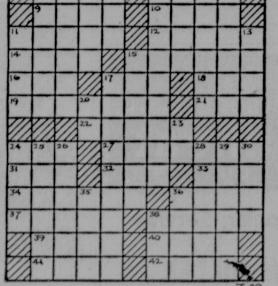

YOU BORN TODAY: You are in the Head Sign of the Fire Triplicity. High intelligence, ability to create new methods for others and to improve upon old methods, implements, equipment, etc. Are impulsive, may give way to quick temper but this temper does not last long as a rule. Are clever, humorous, fond of the Arts and of gathering knowledge. May have to curb a tendency to selfishness in some things and also NOT to think you own ideas and ways are perfection, Patience, consideration of others' wishes are needs, Pray dally for guidance. Birthdate: Pierre Simon, Marquis de Laplace, Fr. mathematician, astronomer; Paul Whiteman, band leader.

a roasted shank passing over fpos-ach) the Jewish homes during the plague visited upon the Egyptian first-

bone, is placed on the Seder tray. It represents the ancient sacrifice of the Paschal lamb (Pesach) which had to be eaten roasted. Pesach, the Hebrew name for Passover, also refers to the Lord's

Seder

# .....

THE BEITZAH, a roasted egg placed left of the Z'roah, symbolizes the required offering brought on all festivals in the Temple. The egg, while not itself sacrificed, is used in the Seder as it is the Jewish symbol of mourning (in this case for the loss of the Temple where the sacrifices were

THE MAROR or "hitter herbs" (usually horserad-

ish) is placed in the middle of the tray and symbolizes the Jews' bitter suffering under the Egyptian yoke. Directly below is the Chazereth, another piece of bitter herbs, commemorating the custom of eating Maror sandwiched between two pieces

THE CHAROSET, O placed beneath the

Z'roah, is a mixture of chopped apple, nuts, cinnamon, and wine designed to look like the mortar used by the Jews in building the palaces and pyramids of Egypt during centuries of forced labor. Before the Maror is eaten, it is dipped into the Charoset.

THE KARPAS, a piece of parsley or lettuce placed to. the left of the

Charoset, symbolizes the meager diet of the Jews in Egyptian bondage. It is dipped into salt water in remembrance of the tears they shed in their misery. The Karpas also signifies Springtime. the season of PassTHE CUP OF ELI-JAH, filled with

wine, is kept on the table throughout the Seder in' the hope that the Prophet Elijah may appear as a messenger of the Almighty and announce the coming of the Messiah Thus, in the midst of their memories of the past, the Jews look forward to the day of universal peace, love, and brotherhood.

Robert S. Widmer Classified Adv. Manager Policy

This newspaper is a member of the Association of Newspaper Classified Advertising Managers which includes leading newspapers throughout the country and has for its aims the elimination of fradulent and misleading classified advertising. This newspaper as well as every other member of the Association endeavors to print only truthful Want-Ads and will appreciate having its attention called to any advertising not conforming to the highest standards of honesty. Mary A. Pettit, Palmerton, to and Arlene E. Olker, Barrett Luther W. and Ellen L. Helfrich, Township, to Harry L. and Mary Township, to Ted L. and Audrey to Layton W. Treible, Stroud A. Mitchell, Stroudsburg, property Township, property in Stroud

Closing Time Want ads accepted from 8:30 a.m. to 3 p.m. for the following day and until 12 noon Saturday for Monday edition.

Deadline for Classified Display: 3:00 p.m. 2 days prior to publication.

You are only charged for the number of days your ad appears in the paper.

However, Want Ads now appearing in the Classified Section, may be cancelled up to 3:00 p.m. Classified Display ads may be cancelled up to 11:00 a.m. for the next day's edition.

Adjustments Errors, not the fault of the advertiser, which clearly lessen the value of the advertisement, should be corrected the first day, when one extra corrected insertion will be made without charge. The Record assumes no responsibility for errors after the first insertion.

Box replies received yesterday were: 257, 287, 289.

## Household Pests that only L HOUSEPOWER can banish

THE UNDER SIZED MONEY-EATER

THE OVER-TAXED EYE STRAINER

THE PICTURE-SHRINKING POWER-SQUEEZER

Are you putting up with these household pests—the unsightliness of many cords fighting for space at an outlet? the inconvenience and expense of fuses blowing? eyestrain from badly lighted areas? shrinking TV picture? half-hearted efficiency of appliances? If so, your home is suffering from low Housepower.

Only Full HOUSEPOWER can rid your home of these pests. That means an electric service entrance big enough for all your needs; plenty of circuits to carry ample power for all your lighting and appliances; lots of convenience outlets and switches so there's always a power source handy for your electrical helpers. See your electrician today!

You Live Better Electrically
